To
Hiring Team,
Kimley Horn

December 26, 2024

Dear Hiring Team,

I am excited to apply for the Software Engineering Internship at Kimley-Horn's Peachtree Corners office. With my academic background in Computer Science and hands-on experience in full-stack development, I am eager to contribute to your team's impactful projects and innovative solutions.

During my academic journey, I've built and deployed scalable web applications using React.js, TypeScript, and Node.js. Additionally, I have experience with relational databases like PostgreSQL and MongoDB, and have developed RESTful APIs, ensuring efficient data management and seamless integration. My coursework in Database Systems and Software Engineering has further strengthened my ability to deliver clean, maintainable code for complex applications.

I am particularly drawn to Kimley-Horn's collaborative culture and commitment to nurturing talent. I am eager to leverage my technical skills and learn from your mentorship opportunities while contributing to solutions that align with client visions and Kimley-Horn's reputation for excellence.

I have attached my resume and portfolio for your review. I would be delighted to discuss how my skills and experiences align with the goals of your team.

Thank you for considering my application. I look forward to the opportunity to contribute to Kimley-Horn's innovative initiatives.

Sincerely,

Pratik Fandade
